But at Pacific Rim Christian University, you will learn and be inspired by Bible classes, Church History, and World Civilizations (to name a few) to develop a skill set needed to become well-trained, well-grounded, and well-equipped students for your unique calling.

You will also learn "soft skills" that will help you with dealing with your church members and leading the way to a life of faith. You'll learn how to develop a personal philosophy of ministry and the ability to apply a Biblical worldview to evangelism, discipleship, and spiritual formation.
